

In modern life, we are exposed to:

- Precious food loaded with chemicals
- *Fast food & canned food*
- Meat with antibiotics and hormones
- *Meat (chicken and pork)*
- Cigarette smoke
- Pollution smog

TOXIN = DISEASES

"The primary cause of diseases is the accumulation of unnecessary wastes that are not properly eliminated"

(Dr. Eason Haas, M.D., author of "Staying Healthy With Nutrition")

Are you experiencing the following problems because of toxins in your body?

- Falling sick frequently
- Easily getting tired
- Skin rashes
- Headache
- Gaining weight
- Loosing weight

LIVER

The ONLY Detox Organ

- In *Ayurveda* (the Indian science of traditional healing), your liver is an alkaline and bitter organ!
- Natural bitters enhance your liver function!
- Bitter herbs help to detoxify the blood passing through liver. It cleans and changes fat-soluble toxins to water-soluble toxins to be harmless passed through the kidneys and eliminated via your urine!
- That is why we are advised to eat bitter food everyday.

What is BITREEN® ?

- **BITREEN®** is the 1st and only standardised neem extract in Malaysia.
- Each tablet of **BITREEN®** contains 100mg of standardised neem extract (*Azadirachta indica*) which provides **3% of total bitters** that is equivalent to a medium size of bitter gourd.

When BITREEN® works, you will know:

- Tongue may be more "coated" in the morning.
- More eyes discharge in the morning.
- First urine may be more pungent and deeper in colour.
- Feces would be more pungent and deeper in colour.
- Sweat may be more pungent and staining.

Dosage recommendation

There are two important schedules:

1) Therapy (for treatment of active conditions like allergies and acne)

1st 3 months

1 tablet 3 times daily

Next 3 months

1 tablet 2 times daily

Following 3 months

1 tablet once daily

You may choose to continue with one tablet once daily after that. Tablets best to be taken after food.

2) Detoxification (for internal cleansing)

1st month

1 tablet 3 times daily

2nd month

1 tablet 2 times daily

3rd month

1 tablet once daily

You may choose to continue with one tablet once daily after that. Tablets best to be taken after food.

There are no long-term side effects from taking **BITREEN®**. Your body will not develop tolerance to **BITREEN®**.

Start your annual detox program today with BITREEN®
