

NATURALLY INCREASES MENTAL PERFORMANCE

Be at the top of your **CLASS** or **WORK** with **Vavalert**[®]. It is made from 100% pure Belgian Cocoa and Green Tea extract. **Vavalert**[®] helps to improve your **Mental Energy**[™]:

✓ **Alertness** ✓ **Concentration** ✓ **Memory**

The secret to **Vavalert**[®] is the goodness of **Theobromine**, an active compound that is clinically proven* to increase **Mental Energy**[™]. Theobromine is extracted naturally from cocoa beans using Belgian Technology and green tea extract is extracted by Supercritical Fluid Extraction process (SFE).

Green tea extract (19 mg)

Short and quick stimulant with and immediate effect on alertness

Belgian Cocoa / Theobromine (250 mg)

Mild stimulant with positive and long term effect on alertness and memory

CLINICALLY PROVEN* WORLDWIDE BELGIAN TECHNOLOGY

Vavalert[®] is the world's first and only patented natural supplement made from proprietary blend of cocoa extract (theobromine) & green tea extract that has been clinically proven* to increase your **Mental Energy**[™]. These findings of **Vavalert**[®]'s **Mental Energy**[™] properties have been published in the reputable Psychopharmacology Journal, Volume 176, 2004.

The **Vavalert**[®] combination is also available in Europe & Australia and approved for use by the European Union (Mental and Memorisation).

- ✓ Suitable for all age groups

Frequently Asked Questions

Is Vavalert® suited for children?

Vavalert® is a natural food supplement, recognised and registered and classified by the Malaysian Ministry of Health as a food supplement which makes it safe for consumption. As such, it is suitable for children as long as they can swallow, even pregnant and nursing mother can safely take it.

When should I take Vavalert®?

Eg: take 1 tablet at 10 am or 1 pm (last for 6 hours). If you need to study at night, take at 7 pm to boost up your **Mental Energy™**.

Who would benefit most from Vavalert®?

Any one who wants better mental performance.

Is Vavalert® suited for the elderly?

Vavalert® is suitable for all ages. There are studies that have shown that Cocoa increases blood flow to heart, brains and other organs. Studies have also shown that decrease in blood flow to the brain causes dementia. In this case, Vavalert® will help in preventing dementia.

“...BE AT THE TOP TODAY”

Dosage recommendation:

- 1-2 tablet per day, drink 6 - 8 glasses of water a day.
- Power up your mental performance up to 6 hours.
- Significant results can be seen in 6 days.

“... So natural that pregnant and nursing mothers could take it. Great for the elderly and school going kids.”
